sett Christmas Tree at Shipyard Park ready for the decoration and lighting of this week. We have been in a strange flip-flop of seasons but soon are due to settle into winter if the Farmer's Almanac can be believed.

At any rate, our fishermen and all who enjoy the outdoors have had a wonderful bonus, and ready or not the Christmas season is upon us.

Many Moods of Christmas

TRI-COUNTY SYMPHONIC BAND

The Tri-County Symphonic Band, conducted by John Pandolfi, will present the annual holiday concert: "The Many Moods of Christmas" Sunday, December 6th, at 3:00 p.m. at the Zeiterion Theatre.

There will be something for everyone as special guests, the Tabor Academy Madrigal Singers and Handbell Choir, join the band to express the many different ways to celebrate this magical holiday season. Philip Sanborn and John Pandolfi are conductors of these two high school groups.

The Band's selections include "Russian Christmas Music" by Alfred Reed, an arrangement of Tchaikovsky's "Nutcracker Suite", and a jazzy Stan Kenton "Christmas Medley". Five members from within the band make up the Concordia Brass Quintet, and they will perform "The Twelve Days of Christmas".

General admission cost for this Sunday afternoon concert is $7.50. Free student tickets (and general admission) are available at Symphony Music Shop, Route 6, North Dartmouth, and at Shawmut Diner, Shawmut Avenue in New Bedford. Tickets will also be on sale at the door. For further information call 996-3301 or 758-4541.

Mattapoisett Selectmen's Meeting

NOVEMBER 24, 1987-by DCJ

DISCUSS GROWTH MANAGEMENT

Selectmen John DeCosta and William Hubbard met with Mr. Peter Kortright, chairman of the Growth Study Committee, as he brought them up to date on the study's progress. Mr. Kortright told Selectmen that the committee was looking for suggestions from Selectmen after meeting several times during late summer and fall. In order to cover more subjects, he explained, the committee had broken down into sub committees.

The Public Facilities Committee, under Chairman Robert Coquillette, has been working on unaccepted streets and roads. He mentioned that SRPEDD had stated that Mattapoisett has one of the finest inventories of streets and roads and said that Town Clerk Lois Ennis is responsible for this inventory.

Chairman of Selectmen DeCosta said that the list of unaccepted roads includes many in the beach area where the residents desire to have those roads remain private.

Mr. Hubbard said that this particular problem is, at present, being compounded because "Many streets and roads are even now being built sub-standard leaving the people, who buy or build homes along them, in trouble because they are not ac-

ceptable to the town."

Selectman Hubbard suggested that this same group should look at development now being done or contemplated along the river where only a 30 foot setback is now required. He said that developers from outside are already interested and that only last week a realty company in Wareham had requested in writing to be informed of future meetings on possible development.

Mr. Kortright replied that "Clearly there are parts of the village where major sub-divisions have been established". He said that the owners of these plots should be contacted to find out about their plans. He said that, in talking to many residents of Mattapoisett, he has found many who would like to see growth both controlled and managed by the town. He said that in view of that he has researched in the Assessors' Office to identify plots of 10 acres or more so that these can be graphically illustrated on maps so that people can be shown where large tracts of land exist. He said that there might be some funds available to acquire such open land through such agencies as the Massachusetts Coastal Land Acquisition Program, but there is not a lot of coastal land in Mattapoisett that has not been developed. He said that the committee does not see any major state park as part of their plans but, rather, would seek passive recreation sites for parks for picnicking and beach area. Before any such plan was initiated, he explained, the individual owners would be consulted by the state and public hearings would be scheduled to seek opinions from residents of the area in question.

Mr. Kortright stated that the commercial and industrial needs subcommittee has no progress because they have not found anyone keen on getting together the businesses of the town.

Mr. DeCosta said that SRPEDD has a grant to study the Mattapoisett River and propose zoning by-law changes. He said that the town has asked for this and that SRPEDD is doing it right now.

Mr. Hubbard said that he thought that the town must "go forward immediately to protect the Mattapoisett River valley". He said that the town must put some teeth into regulations to protect the water source.

Mr. Kortright said that he had sensed that, so far, people are willing to go by the book on existing by-laws.

The budget of the committee is a shoestring of $250.00 per year and the possibility of mounting a full scale study, with volunteers alone, is not very likely. He explained that, while interest and concern are high, it is a time consuming project and that people cannot find the time to devote to the effort.

The committee, he stated, has the opinion that professional help must be hired. Possible avenues that were suggested were a consulting firm, town planner, or shared town planner. He suggested that Mattapoisett is growing to the point where it would be advantageous to have someone available to plan on a full-time basis.

Mr. Hubbard said that he believed that grants are available if the planning is regionalized.

QUESTION:

WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinary treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious.

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.

Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Make certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods.

"Let's do it and do it right", he said. "I think it should be done. We must plan for the future. Just because people are legitimately within their rights right now (under existing by-laws) doesn't make it right for the future. Everything in this area is as important, we can't wait until next year."

VOTED TO UNIONIZE

Six highway department workers, five water department workers and one landfill operator have voted to join the American Federation of State County and Municipal Employees. This is the first group of town employees to unionize with the exception of the police who organized into a Brotherhood some years ago. Chairman DeCosta said that the town negotiation team would be Selectman William Hubbard and Selectman Frank Suzan.

In other business, Selectmen:

RECEIVED A LETTER from David Cameron who stated that a possible health hazard from the small quantity of TCE entering the drinking water applied to his home via Johns Manville Company's vinyl lined pipes could cause a decrease in the property value. Selectmen will request more information from Mr. Cameron.

Mr. DeCosta explained that there are only two streets in town, Whaler's Way and Eldorado Drive, supplied by this type of water pipe which was privately installed. After the suit with Johns-Manville was settled, he said, both pipes were fitted with bleeder valves which keep the water flowing continuously. The town monitors the water in both installations and tests show results in water to be way under permitted safe levels, according to Mr. DeCosta.

Private Ways Study Committee, Al Caron and Robert Marso of the Planning Board presented for discussion the most recent draft of the proposed Private Ways By-Law. The By-Law would spell out the method by which private road owners could apply to the Town for assistance in repairing their roads and arrangements for repayment at cost to the town by road owners. Copies of the proposed Private Ways By-Law are available at the Town House for interested townspeople.

Letters received:

The Massachusetts Labor Relations Commission has certified that the recent election held in the Town of Marion by the AFSCME, Council 93, AFL-CIO was conducted properly and resulted in a unanimous vote of 8 Town House employees to be represented by the AFSCME employee organization.

A petition signed by 110 concerned citizens and business people requesting the assistance of the Marion Selectmen to keep the Post Office in its present village location. The Postal District Director in Provi-

dence, R.I. has stated that the present location of the Marion Post Office does not have sufficient room to increase its working area to 5000 square feet of space which is the projected requirement for future growth of the town. Discussion continued on alternate locations within the village area.

An advertisement for space from the U.S. Postal Service specifies the following: 4,734 sq. ft. of enclosed net space, 12,100 sq. ft. for driveway, parking and maneuvering with 400 sq. ft. for a platform with a total of 29,571 sq. ft. excluding setbacks, easements, etc. Offerers must specify an annual rate for a basic lease term of 10 years with renewal options of four - five year options.

The Superintendent's Office of the Old Rochester Regional School District notified the Town that, because of increased enrollment from the Town of Marion, the enrollment impact assessment would be increased by $51,291 for the Town of Marion for the 1987/1988 school year.

Department of Revenue said that the amount of unencumbered excess and deficiency funds/surplus revenue for Old Rochester Regional School District is $7,409.

A notice from the Federal Insurance Administration reminding the Selectmen that, by February 17, 1988, this community must have its legally enforceable floodplain management measures approved by the Regional Office. Failure to do so would result in Marion's suspension from the National Flood Insurance program.

Ray Pickles, Executive Secretary, announced that the Marion Police Department Honor Guard had received a commendation for its outstanding contribution to the success of the Veterans' Day Parade.

The Christmas Tree lighting will take place on December 3rd in Bicentennial Park.

Sand is available for townspeople at the Highway Barn. You must supply your own container.

Selectmen voted permission for the Natural History Society to invite townspeople for a bus tour of the Marion water and sewer facilities. A notice is to be included in the water bill mailing.

Selectmen scheduled December 8th for hearing with department heads, and December 9th for a report from the Taber Hall Study Committee.

BOARD OF HEALTH

Mr. Victor Brier appeared with his attorney to question the notice that a building permit was required for the building which had been moved onto a lot at 157 County Road owned by Mr. Brier. Mr. Brier stated

Rochester Children's Party

The Rochester Woman's Club Children's Party will be held on Saturday, December 12th, starting promptly at 2:30.

The Gerwick Puppeteers will perform "Midwinter Magic", a story of two children who decide to stay up very late on Christmas Eve. This enchanting show includes elaborate fantasy, beautiful scenery, music and lots of humor. The program is particularly appropriate for children ages 4 and up, and lasts approximately 45 minutes.

The Gerwick Puppeteers have given over 1400 performances since their start in 1974 and perform regularly at the Boston Children's Museum.

All Rochester children and their families are invited to attend. Refreshments will be served and a surprise visitor in red will greet children in grade 3 and younger.

Santa Home Visits

Would you like to have Santa pay a visit to your home this year? Sponsored by the Old Rochester American Field Service Chapter, appointments for five minute Santa visits may be made by calling 758-6991 in Mattapoisett or 748-2340 in Marion. All visits will take place in the early evening from Saturday, December 12th,

Exploring myth and magic, Leland Faulkner is breaking new ground in visual theatre. Paper becomes filled with movement as butterflies dance and multiply; shadows take on a life of their own in an imaginative exploration of light. His creative use of visual effects gives us a new look at an ancient art. Japanese

art and folk tales are an integral element in his program and presentation.

Leland Faulkner studied mime in 1975. Since then, he has performed in theatres, schools, cabarets, and festivals in the United States and abroad. He worked as an apprentice and partner of Mime Master Tony Montanaro, and in 1983 was placed on the distinguished roster of affiliate artists. In the past several years, he has created and developed his own original works inspired by ancient Japanese art works and folk tales.

By presenting material that allows the spectator to enter into dreams with the actor, Lee enables his audience to walk away with visions of their own.

This very special program is a Christmas gift to the children from the Mattapoisett Parent-Teachers' Club. By nature, the program creates a quiet mood and demands an uninterrupted atmosphere. It would therefore be advisable that those interested parents who wish to attend do not bring along pre-school aged children.

Program times are: Old Hammondtown, 9:30 a.m.; Center School, 1:00 p.m.

CHRISTMAS CONCERT

The Sippican Choral Society will present its annual Christmas Concert this Sunday, December 6th, at 4:00 p.m. in the Wickenden Chapel of Tabor Academy, Spring Street, Marion.

The featured works on the program will be performances of Telemann's Alleluia! Sing to the Lord a New Song and Pergolesi's Magnificat. Telemann, a contemporary of Bach and Handel, was one of the most prolific composers of the early 18th century and was more highly esteemed by his contemporaries than Bach.

Railway Club's impressive display of their HO train layout. This 50 year old club has spent hours building this layout, including several trains amidst different scenery backgrounds. Also, there will be movies of famous railroads playing throughout the day. Another feature of the show will be the display tables which will allow people to buy and sell trains of all scales and other model railroading supplies. Any member of the general public can rent a table according to Al Boos, chairman of this event. He encourages interested parties to contact him at 763-4514 prior to the show to reserve a table.

Model railroading is an activity the whole family can enjoy. "Whether you're simply interested in getting your old Lionel or American Flyer train out of storage for the Christmas season, or you're an active model railroader, we hope to have something for you at the show," adds Mr. Boos. Admission for adults is $1.50, children, .75, entire family only $3.00. A snack bar will be open for your convenience. Join Rochester Boy Scout Troop 31 Sunday, December 6th, for this most enjoyable train show.

COMMUNITY SERVICE PROGRAM

This year a Voluntary Community Service Program was initiated on a pilot basis for seniors enrolled in the Psychology and Sociology courses at Old Rochester Regional High School. Students may select from several placement agencies, such as the Big Brother and Big Sister Program, to offer a minimum of three hours per week of voluntary service. Mr. Normand, the instructor, reported that over 30 of the 50 students taking these courses have signed up to participate in the program for the year.

Financial Aid Night

The Guidance Department at Old Rochester Regional High School will sponsor a financial aid information night for parents of seniors. Parents of underclassmen are welcome to attend. An overview of the Financial Aid Form will be presented. This presentation will aid parents in filling out the FAF. In addition, information will be given on local scholarships and other sources of aid that are available to seniors.

The program will be held Wednesday, December 9th, beginning at 7:30 p.m. in the high school cafeteria. Financial Aid Forms are currently available in the Guidance Office and will be available at the Information Session.

ORR Homecoming

by Tom Peccini

For the first time in many years, the ORRHS football team won the Homecoming Football game beating Bourne with a score of 22-16 to improve their record to 3-4 overall. Perhaps in past years ORR's Homecoming has been special but this year, due to the football win, this Homecoming will never be forgotten.

This victorious foothall game was just a part of a very much enjoyed and very successful "Homecoming Week". Homecoming at Old Rochester is a week designed to boost school and class spirit. Each class competes against one another during the week such as dress-up day, spirit competition and best skit at the rally. A spirit rally is held on the Friday before Homecoming Day. On the day of Homecoming there is a football game and the

classes show their floats that they have been working on since September.

Homecoming 1987 commenced on Wednesday, October 28th, with the sophomores and juniors dressing up. The sophomores chose "Camouflage Day" as their theme and the juniors entered into the competition with "Crayon Day".

On Thursday, October 29th, the freshmen and seniors dressed up. The freshmen class masqueraded around the halls of ORR as sports players, and the seniors dressed in their "Street Day" theme.

On Friday, October 30th, the faculty dressed in their "Storybook Characters" theme, as the students showed their spirit with wearing red and white clothes. Friday ended with a spirited rally where the classes competed in the skit competition and class spirit. Winners were voted on by the faculty. Also, adding a new addition to Homecoming this year were individual superlatives, also voted on by the faculty. The winners were announced at the rally as follows:

Most Spirited Boy from each class: Jarred Carney, freshman; Jason Reddy, sophomore; Doug Klappholz, junior; John Santos, senior.

Most Spirited Girl from each class:

Mariner Girls' Soccer

INVITATIONAL SOCCER TOURNAMENT

On Saturday, November 21st, the Mariner Youth Soccer Club sponsored a girls' tournament to promote girls soccer in the area.

The under 10 team, the Devildogs, coached by Jim Soden, took second place. The girls won their first game against Sandwich 3-0. Tara Best with two goals and Beth Couto scored for the team. In the play-off game against Whitman, Mariner lost 3-0, but managed to keep the game scoreless the first half. The girls did very well considering that the weather was against them.

The Mariner girls, under the coaching of Dave English, took first place in the under 12 division. Teams from Mariner, New Bedford and Sandwich each won a game, but Mariner had scored 5 goals against New Bedford and therefore were declared the winner. Stephanie Wood as goalie and Emily Roller as

sweeper were noted players for Mariner.

The under 14 girls really had a battle on their hands. After both Mariner and Bridgewater beat Dennis in their first rounds, they played to a 1-1 tie. Coach Joe Hellyar had worked many hours with the girls practicing for a shoot-out and his strategy paid off. Mariners Jen Lemire and Abby Smith scored against the Bridgewater goalie, while Mariner goalie Maureen Jason made some outstanding saves to keep Bridgewater scoreless.

Congratulations to all the girls and their coaches on an exceptional first tournament.

Early Childhood Advisory

The Early Childhood Advisory Council will hold its monthly meeting on Tuesday, December 8th, in Room 5 at the Sippican School. The meeting will begin at 3:30 p.m. Leading the meeting will be newly elected co-chairs Beverly Ciaburri, a Rochester parent, and M'Lou Douglas, a Marion kindergarten teacher. The council's membership has expanded this fall

and now includes additional parents and early childhood educators from the area. A need still exists for an additional parent from Rochester.

At this meeting, the council will be forming study groups investigating three topics: a review of the K-3 curriculum in terms of developmental appropriateness; an assessment of the need for transitional classes between Kindergarten and first grade; and an assessment of the need for a developmental pre-kindergarten (a program for children age-eligible for kindergarten but not ready for the kindergarten program). Jane Taylor, the Early Childhood Coordinator, will update the council on the activities of Project GROW.

Interested community members are always welcome at meetings.

Celebrate The Season

ANTIQUE EXHIBIT AND SALE

The Rotch-Jones-Duff House and Garden Museum, built in 1834 and located at 396 County Street in New Bedford, is presenting their annual event, "CELEBRATE THE SEASON 1987", an Antique Exhibit and Sale, December 5th through the 11th.

The Antique Exhibit and Sale is open to the public daily from 11 a.m. to 5 p.m. Admission is $4. This entitles the bearer to wander through the Whaling mansion and see the many elegant rooms filled with fine antiques for sale from a group of selected exhibitors. The Rotch-Jones-Duff House and Garden Museum will also be decorated by local florists and greenhouses to re-create the kind of Christmas celebrations that have taken place here in the House's 153 year history.

There will be a Preview Party on Friday, December 4th, from 6 to 8 p.m. Tickets are $15. and can be purchased at the door.

Luncheon will be served daily from 11:30 a.m. to 2:30 p.m. The

K. Bullard, Mayor of New Bedford, serving as the evening's guest speaker.

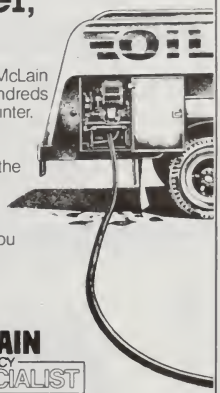
Joseph M. Barry, President of the Zeiterion's Board of Trustees, introduced the new trustees. They are Mark Mitchell of New Bedford, Cathy Roberts of Rochester and Dr. Richard Warburton of New Bedford.

Mr. Barry expressed his gratitude to retiring Board members Joan A. Brownhill and Peter M. Hodgson for their many years of dedicated service. Ms. Brownhill was one of the original members of the Zeiterion's Board, having served for six years. Mr. Hodgson recently moved from the area. He served as the Board's treasurer for the past four years.

Also announced were the following officers for the coming year: President, Mr. Barry of Portsmouth, RI; First Vice President, Thomas N. Bucar of New Bedford; Second Vice President, Donna Silverstein of North Dartmouth; Treasurer, Carl A. Schulz III of Rochester; Assistant Treasurer, Mark Mitchell of New Bedford; Clerk, Mark C.W. Montigny of New Bedford.

Zeiterion Theatre Achievement Awards were presented to Roger Robi-

If you saw too much of this last winter, call us now.



We'll show you how a new Weil-McLain Model 68 oil boiler could save you hundreds of dollars on your heating bills next winter.

The fact is, many older boilers operate at only about 60% efficiency. That means that as much as 40% of the fuel you're paying for could be going right up the chimney. The new Weil-McLain 68 oil boiler operates at over 84% efficiency—so it can save you enough money in oil bills to pay for itself in a few short years.

taille and to Robert S. McCarter. These awards are given annually to an individual and a business person in recognition of their contributions to the Theatre.

Mr. Robitaille, as Director of Educational Media for the New Bedford School System, has been instrumental in helping the Zeiterion develop and coordinate its series of school-time educational programs. The series now has over 30,000 children in attendance throughout the school year with almost half coming from the New Bedford school system.

The business achievement award was presented to Mr. McCarter, President of New Bedford Institution for Savings, for his leadership in helping to make possible a major funding project through the Thrift Fund. The Thrift Fund is a $100 million economic lending pool funded by the state's 272 savings banks, cooperative banks, federal savings banks, and savings and loan associations. NBIS initiated and will

Outstanding Service Awards were presented by Robert A. Freedman, Executive Director of the Zeiterion, to two of the Theatre's most active volunteers, Diane Duprey of Freetown and Sandy Tracy of Mattapoisett. Both have contributed countless hours, volunteering their services as ushers and in other areas since the Theatre reopened in 1982.

As guest speaker, Mayor Bullard remarked on how, "The Zeiterion Theatre is making a significant mark for the positive in the community." In reference to the Theatre's Capital Campaign to raise $1. million, of which $460,000 has already been achieved, Mayor Bullard commented on the importance of this

APPOINTS NEW DIRECTOR

Sheila Saxberg has been named Director of the Children's Museum, South Dartmouth by the Board of Trustees. Ms. Saxberg comes to the Children's Museum here from the position of Executive Director of the Seattle Children's Museum, a position she held for nearly three years before returning to Massachusetts for personal reasons.

"The Children's Museum Board of Trustees unanimously and enthusiastically approves the search committee's choice of Sheila Saxberg as Director of the Museum. Her educational and museum experience and high professional standards encourage us all to anticipate an exciting and innovative future for the Dartmouth Children's Museum", said Dr. Michael Egan, Acting President of the Board of Trustees.

Mrs. James H. Jackson, chairman of the search committee, noted that of the 39 applicants from 10 states Ms. Saxberg was the only candidate whose experience more than matched the qualifications for the position. She added, "Sheila Saxberg's skills and talents are clearly demonstrated by her performance as Director of the Seattle Children's Museum. She oversaw its move to a site twice the size of its original home; mounted a successful capital fund campaign in collaboration with the Board of Trustees; increased the museum's number of visitors almost four fold, and organized its operations to cover 72% of its budget with earned income. We are fortunate indeed that her marriage has brought Sheila back to Massachusetts and

now to the Children's Museum in Dartmouth."

Ms. Saxberg brings to the Children's Museum extensive experience in all phases of museum work as well as strong academic credentials.

In addition to her work at the Seattle Children's Museum, Ms. Saxberg served as exhibit developer and staff trainer for the Children's Museum of Rhode Island after working for several years at the Children's Museum in Boston where she developed exhibit programs, coordinated multicultural festivals, and oversaw the daily operation of the facility, supervising 20 staff members.

The new director has also held internships at the Cultural Education Collaborative and the Seattle Art Museum where she established a regional museum education network while finishing her bachelor's degree in art history at the University of Washington. She holds an M.Ed. from Harvard University's Graduate School of Education with concentrations in management and human development. She is active in professional circles and serves on the national advisory board for Hand to Hand, a publication of the American Association of Youth Museum.

"I am delighted that my return to Massachusetts will give me the opportunity to work with the board and staff of the Children's Museum and with many others in the community as we all strive to develop the full potential of this important resource for our children", said Ms. Saxberg.

Founded in 1952, the Children's Museum has been serving the community for 35 years. This year the Museum has had more than 50,000 visitors and has provided programs and services to another 10,000 area children through their schools.

dren's Museum of Boston is pleased to present "A Season of Sundays", eight Sundays of multicultural holiday performances of music, dance and theatre. The third performance is "Black Nativity" presented by The National Center of Afro-American Artists, on December 6th. Langston Hughes' song-play is a unique retelling of the Christmas story that blends elements of spoken poetry, dance, and gospel music into a powerful and truly unforgettable experience. Performances are at 2 and 3 p.m. The performance is free with Museum admission, but space is limited. Tickets are first come, first served, beginning at 10 a.m. the day of performance.

The "Season of Sundays" performance series runs through January 10th and includes Christmas Revels, December 13; Voice of the Turtle, December 20; The Art of Black Music and Dance, December 27; Three Kings Day, Inquilinos Boricuas en Accion - Villa Victoria Youth Center, January 3; and Japanese New Year Celebration, January 10.

ence to some songs from her rave reviewed album "Double Rainbow", and other favorites.

She's known for her wide musical range that keeps her comfortable with a hard driving "big band" as in her opening performance for the 1984 Boston Globe Jazz Festival or with a lone guitar in her live telecast from Symphony Hall. She's been called a top-flight jazz singer, and was recently chosen as "Outstanding Jazz Vocalist" at the First Annual Boston Music Awards. Covered as a "local hero" in New England Monthly Magazine, Ms. Parris has been praised for her perfect pitch, cliche-free phrasing and a deliciously rich alto by Wayne Lee of Jazziz Magazine.

Organizers say they've created the perfect atmosphere for the performance -- a cabaret setting complete with small intimate tables and candlelight. They advise all interested to purchase their tickets early due to limited seating.

The performance takes place in the exhibition area of the Arts Center at 8 p.m. Tickets are $5. and are available by calling the College at 678-2811, ext. 112.

vention was held at Westport High School.

Student Council President Thomas Ross, Tara Medeiros, Vice President; Michael Gajewski, Treasurer; Brian Ashley, Paul Holstrum, Robert Brown and Jevon Malcolm joined other students from thirty-six other schools from throughout southeastern Massachusetts in various workshops in the day-long event.

The students and advisors had the opportunity to exchange and share ideas and feelings concerning a variety of subjects. This year the workshops focused on such subjects as drug and alcohol abuse, aids, teenage suicide, teenage pregnancy, increasing motivational skills, leadership, the arts, resident's workshop, school committee, and state representative workshops.

Participation in this convention was sponsored by the Old Colony School District. by Cas Santos

gress. Each shop will be operating on a small scale with a few students working on projects as they would during a regular school day.

Parents of eighth grade students, contemplating a vocational education, are encouraged to attend. Guidance counselors will be available to describe Vocational Program opportunities, related academic courses, and potential career employment opportunities.

Additional information may be obtained by calling the Guidance Office at Old Colony (763-8011).

STUDENTS VISIT CANAL ELECTRIC

Recently sophomore and senior electronics students at Old Colony Regional Vocational Technical High School traveled to Canal Electric in Sandwich to study the impact of electronics in the monitoring and control of electric power generation.

Mr. Ian Sanderson led the Old Colony students on the tour. Mr. Sanderson emphasized the need for qualified persons to learn the intricate instrumentation which controls the plant operation. Of particular interest to the students were the methods of interfacing electronic controls with pneumatic equipment at the plant.

The field trip to Sandwich was sponsored by the Old Colony School Improvement Council.

Charles Dickens' immortal classic, "A Christmas Carol", is the story of the world's most famous miser, Ebenezer Scrooge, and his remarkable transformation on a Christmas Eve to a wildly generous man. This live musical extravaganza has been adapted for the stage by Charles Jones of the Omaha Community Playhouse. It's a nostalgic, three-dimensional Christmas card with beautiful and authentic costumes and sets, along with stunning special effects.

The Nebraska Theatre Caravan, the professional touring wing of the Omaha Community Playhouse, has been crisscrossing the country bringing Christmas cheer to thousands for more than eight years. The cast of 25 actors and actresses will maintain the original Dickens dialogue, accompanied by a four-piece chamber ensemble presenting a full array

Constitution Museum

THE TRAVELS OF "OLD IRONSIDES"

For the first time in its 11-year history, the USS Constitution Museum has developed an exhibit designed specifically to travel to other galleries. Sponsored by The Boston Company, "The Travels of 'Old Ironsides'" is comprised of nearly 50 images of USS CONSTITUTION assembled from the Museum's own collection. Many of the pieces have never before been exhibited.

"The Travels of 'Old Ironsides'" chronologically depicts notable chapters and events in the history of the oldest commissioned warship afloat in the world today through a variety of images on paper including sketches, watercolors, songs, and poems. Subjects addressed in the exhibit include why the US Navy was formed and why USS CONSTITUTION was built in the 1790s.

"It's easy to see from this collection that CONSTITUTION is a true fixture in American history," notes Museum Curator Anne Grimes. "For nearly two decades, artists in virtually all disciplines have chosen to use her drama, heroism, and color as a subject for their work. We're very happy to have an exhibit of this diversity and educational value that we can now share with other institutions."

"The Travels of 'Old Ironsides'" will be on display at the Museum until Spring of 1988 and will subsequently move to the VAULT GALLERY at The Boston Company. Plans are underway to make the collection available on request to corporations, libraries, and other museums.

The USS Constitution Museum, located in the Charlestown Navy Yard, is a non-profit, educational founda-

SMU Gallery

JOHN UDVARDY: WOOD CONSTRUCTIONS

An exhibit of wood constructions by John Udvardy is showing at the SMU Art Gallery through December 11th. Hours for the gallery, which is located in the College of Visual and Performing Arts, are 10 a.m. to 5 p.m. Monday through Saturday. Admission is free.

Udvardy, a professor at the Rhode Island School of Design, uses objects found on walks in the woods, on city sidewalks and at flea markets to build his sculptures which begin first as studio drawings.

Boston art critic Rebecca Nemser writes: "Udvardy sees the aesthetic possibilities in an old whittled paddle or a forked birch branch, and he know how to make a curve from a green sapling. But most of all, he brings to his materials a feeling that every mark matters; every stick, every thread, every shell, every bone".

Put less money into your boiler.

A new Model 68 oil boiler from Weil-McLain could save you hundreds of dollars on your heating bills—this winter alone!

If your oil boiler is more than 10 years old, it could be operating at only 60% efficiency—or less. That means 40% of your heating dollars could be going right up the chimney.

But a new 68 boiler from Weil-McLain operates at 84% efficiency, which means it can pay for itself in just a few short years. That means more money in your pocket—and less in your boiler.

Find out how much you can save with a Weil-McLain 68 oil boiler. Call us today!

TO STAGE KING AND I

The SMU Theatre Company will mount a full-scale production of "The King and I" by Rodgers and Hammerstein at 8 p.m. December 3-6 in the Campus Center main auditorium. The production, directed by Angus Bailey, will feature local children as well at SMU actors.

"The King and I" tells the story of Anna Harriette Leonowens, an English woman who taught the children of the King of Siam at the turn of the century. The musical's classic songs, such as "Hello Young Lovers", "Shall We Dance?" and "Getting to Know You" - will be performed.

Tickets are $5.50 for general admission; $4.50 for students with IDs (except Thursday when they are $2.00); and $4.50 for seniors and children. Playgoers should park in Lots 5 and 6. To reserve tickets or obtain further information call the theatre company at 999-8167 or 999-8697.

campaign. WCRB's late-night announcer Peter Ross '63 has taken the initiative in spreading the word to over 250 classical music stations across the country. These stations, from Los Angeles to Bangor, are urging the thousands of BBYSO alumni now scattered across the country to contact their alma mater.

This season GBYSO celebrates its 30th Anniversary Season with many special events and concerts. An Alumni Weekend is being planned around the 30th Anniversary Concert on April 10, 1988. A gala dinner, alumni reading orchestra, and four-decade string quartet, as well as a Sunday afternoon concert at Symphony Hall by the current GBYSO are among the offerings in the works.

Other major events of the 30th Anniversary Season (1987-88) include the opening Holiday Concert on December 6th at Jordan Hall at New England Conservatory; side-by-side concerts with the Boston Symphony Orchestra in March; the 30th Anniversary Concert featuring Mahler's Second Symphony ("The Resurrection") with soloists and a chorus of 250 at Symphony Hall on April 10th; a Senior Orchestra tour of Japan from April 15th to 24th; and the com-

missioning of a work in honor of the 30th Anniversary Season by Boston composer Peter Lieberson, to be premiered at Sanders Theatre on June 12th. This new work will feature GBYSO's five alumni who are current members of the Boston Symphony Orchestra.

Founded in 1958 by Boston University and a community board of directors, the organization has grown from a single orchestra to a complex body sponsoring two full orchestras, a chamber orchestra, wind, brass and percussion ensembles, and a "Head Start" string training ensemble for minority children. All members of GBYSO are high school seniors or younger, and currently hail from 75 communities in four New England states.

"Missing" alumni should contact GBYSO at 855 Commonwealth Avenue, Boston, Massachusetts 02215; or call 353-3348.

community.

Every Monday and Wednesday nights from 7 to 9 p.m. Adcare presents two groups. One is for the person recovering from drug usage. It's a support group of peers led by community representative Lew Rose.

The second group provides support to family members of the drug user led by Nancy Thomas, community representative.

All services provided by Adcare are free and open to the public. Besides the groups held at the YWCA, Adcare will provide training programs for schools, courts, industry, and private sessions with families.

On the last Wednesday of every month, Adcare has a dinner and lecure series. Attendance is usually around 60 participants. Last month's guests were "Mean & Clean", a group of bikers in recovery. They have now dedicated their lives to informing the public about the dangers of drugs. The lecture series is free and open to the public.

We craft our action-engineered Extreme Gear from GORE-TEX® fabric and QUALOFIL® insulation to keep you snug, sleek and fast. Vaporator™ liners let your skin breathe and keep you dry for maximum comfort and minimum bulk. Whether the temperature is wild or mild, you can adapt to the environment in precision-tailored vests, jackets, pants and gloves. THE NORTH FACE Extreme Gear is built to endure and to look as great as it performs. We believe in our Extreme Gear; that's why we alone dare to offer a full warranty.
